THE PROJECTS

People and Planet: a Common Destiny, is a project that promotes the mobilization of youth leadership in advancing climate action, whilst strengthening the role of local authorities in adopting policies for sustainable development. The Project also aims at creating a structured alliance of local authorities in order to promote policies and good practices exchange on sustainability, particularly oriented towards the localization of Agenda 2030. People and Planet is financed by the European Commission under the DEAR Program, whose implementation involves 17 partners from 9 countries of which FELCOS is the implementing partner throughout Umbria County.
